#shoujoroom@irc.irctoo.net
We don't even talk to each other
Hey, Sou
How are you getting along with your new guardian ?
Yep
So far, it's very relaxing
We have different lifestyles so we don't get a chance to see each other. Also there is a maid in the house so I don't even have to help out

Notebook 95 Yen Egg Sandwich 150 Yen Milk 100 Yen
Masaki-san gave me a credit card. But if I don't use it wisely
Isn't this great?
What were you writing for this whole time?
REALLY?
Really?
Sou, there is this thing I really want to buy, but
Sou
This is the same situation when I was living with my relatives

She's very happy that you are willing to help out, but this would increase her work-load too
The maid has a problem.
I don't want to live in someone s house and do nothing ...
If this is all your kindness
then I don't wont it.
It's very hard to use language to express my feelings

This is not what I've been searching for
I...
Don't move, I won't do anything
Masaki-san ?

Just stay with me
Then why are you hugging me

Sou, you smelled great.
Is this the smell of Masaki Shoua ?
スンスン
It's that same smell

That same smell.

This is a movie, so all the scenes are done outdoor.
I know that.
Didn't you always wanted to participate in his work ?
This is one of Tani-sensei's masterpiece.
The filming session takes very long.
IS IT BECAUSE OF SOU THAT YOU REFUSE TO TAKE PART IN THIS MOVIE ???
SHOUA
When I came back, he's already
At that time when his father left, you
If I told you, you wouldn't accept the offer.
I just want to help him out in some way.
Do you know how much I wanted to stay with him during that time ?
When Sou's mother was lying in the hospital, you didn't tell me any of this. Instead you sent me to act in America

IS THAT KID REALLY THAT IMPORTANT TO YOU ?
YOU WERE THE ONE THAT WANTED TO PAY THEIR DEBT OFF
EVENTHOUGH YOU GOT REJECTED, YOU STILL INSISTED TO HELP THEM FINANCIALLY WITH THEIR LIVINGS
Are they talking about me
DON'T TELL ME SOU IS YOUR SON !
Shut up

Sou
Nah, I don't think that's possible. Your blood types are different.
I'm getting on the car now.
Sou
NO !!
I know Miyasaka-san would hate me
I would only affect you career

#shoujoroom@irc.irctoo.net

I want to stay with you
What should I do

There. Are you satisfy now?
I give up
Even-though I'm happy to see Shoua with this kind of expres-sion
I want to stay with him forever
What should I do ?

THIS IS BAD !
My heart rate is increasing.
Huh ?
Your heart is beating very fast
Sou, are you alright ?
If this continues on ...
SHOUA, WHAT DID YOU DO TO ME?
This morning
I can't take it anymore!

ARENT YOU ALWAYS NICE TO ME ?
SO,
NO, NOT THAT!
#shoujoroom@irc.irctoo.net
IF YOU DO ANY-THING TO DO, YOU WILL TAKE FULL RESPONSI-BILITY RIGHT ?
IF YOU DID DO ANY-THING TO ME, I WANT YOU TO TAKE FULL RESPONSI-BILITY
